EVERGENT INVESTMENTS SA is predominantly exposed on the Romanian capital market, mainly in the banking and energy fields.

The strategic exposure on the two key sectors, energy-utilities and financial, allows for possible total or partial adjustments/ issuer, depending on the results of performance optimization techniques and yield/risk analysis. Exposure to issuers from the energy and utilities field mainly takes into account their ability to provide constant and predictable dividends.

EVERGENT INVESTMENTS has a mixed resource assignment strategy to the capital market, in parallel with the implementation of private equity type projects to provide added long-term yield.

EVERGENT Investments assesses its investments from the sustainability point of view, according to a standardized methodology that analyses environment, social and governance criteria.

The assessment of the Issuer from the sustainability point of view is carried out based on the public data available in case of listed companies, or data obtained on the level of unlisted issuers' management.

The information from ESG assessments represents a support in the investment decision and completes the other analysis elements, representing an advantage /disadvantage in the selection of an investment.

The strategies defined for the assets portfolios foresee:

- Increase for the Private-Equity Portfolio –"private equity" type approach within existent majority holdings (real estate, agriculture, other sectors).
- Recalibration for the Financial-Banking and Energy-Industrial Portfolios- listed portfolios that provide liquidity to EVERGENT Investments' assets, representing the main income generator and source for new investments.

Therefore, the Public Offering addresses all individuals and legal entities that hold during the Offer Period, shares issued by the Issuer, other than the Tenderer ("**Shareholders**") including the shareholders legally presumed to act in a concerted manner with the company (according to the latest statement).

The acquisition by the Tenderer of Offer Shares through the Public Offering was approved by the Resolution no. 2 of Extraordinary General Meeting of Shareholders on 27th April 2023, published in Romania's Official Journal, part IV, no. 2457 on 06.06.2023 and published in the Trade Registry in accordance with the Mentions Registration Request no. 5019 on 09.05.2023 with the purpose of reducing the share capital through share annulment.

6. PRICE OFFERED PER SHARE IN THE PUBLIC OFFERING AND ITS ASCERTAINMENT METHOD

The price per share offered by the Tenderer in the Public Offering is 1.45 (Ron)/share (hereinafter referred to as "Offer Price").

The shareholders, who will validly accept the Offer, in accordance with the terms of this Offer Document, will receive the Offer Price for one share minus the trading and payment commissions. Certain costs will be foreseen in detail in the Subscription Form, the Shareholders who want to participate to the Public Offer must verify the total value of costs with their brokers.

Offer Price Ascertainment Method

The Offer Price was set abiding by Law no. 24/2017 on the issuers of financial instruments and market operations and F.S.A. Regulation no.5/2018 on the issuers of equities and equities operations, ("**Regulation no. 5/2018**"). In accordance with the provisions of art. 58, line 1 of Regulation no. 5/2018, the price of a public offering should be at least equal to the highest price between:

- The highest price paid by the Tenderer of individuals legally presumed to act in a concerted manner within 12 months before the submission date of Offer Documentation to F.S.A. (28.11.2022 – 28.11.2023) – 1,4100 Ron/share, price paid by the Tenderer within the Public Offering run between 22.12.2022-06.01.2023, approved by FSA resolution no. 1672/14.12.2022
- Weighted average trading cost of the last 12 months before the date of the submission of Offer Documentation to F.S (28.11.2022 – 28.11.2023). According to BVB data, this price is 1,2916 Ron/share.

Given all of the above, the Offer Price is 1.45 Ron/share.

Public Offering Value

The total value of the Public Offering (hereinafter referred to as "**Offer value**") shall be equal to the number of Offer Shares purchased by the Tenderer in the Offer multiplied by the Offer Price. The maximum value of the offer is 14,500,000 lei (RON).

According to regulations in force, the Offer price can be increased by the Tenderer during the Public Offer, abiding by the procedure described in the "Public Offering Amendment" Section from the present Offer Document. In this case, the Shareholders who have accepted the Public Offer by signing and submitting the Subscription Forms before the modification of the Offer Price will receive the increased price.

7. PUBLIC OFFERING PERIOD

The present Public Offering is valid for 10 working days and will be started in the 6th (sixth) working day from the date when the offer announcement was published in a national periodical in printed form or online, and on the following websites www.bvb.ro, www.evergent.ro, www.btcapitalpartners.ro.

The tendering period is between 08.01.2024 and 19.01.2024 (hereinafter referred to as "**Tendering Period**"). The validity period of the Public Offering can be extended by the Tenderer, abiding by the procedure described in the "**Public Offering Amendment**" section of the present Offer Document.

For its entire duration, the Public Offer is irrevocable. Upon expiry of the Offer Period, the Tender Offer shall lapse.

8. PUBLIC OFFERING AMENDMENT

In accordance with the provisions of Law no. 24/2017 on the issuers of financial instruments and market operations, with its later amendments and additions and F.S.A. regulation no. 5/2018 with its later amendments and additions, the occurrence of any new event or modification of the initial information presented in the Offer Document that might affect the investment decision, binds the Tenderer to amend the present Offer Document by preparing and publishing an amendment.

During the Tendering Period, the Tenderer may amend the terms and conditions of the Offer, abiding by the following conditions:

- a) Obtaining FSA approval for the amendment of the Offer Document
- b) The amendment of the Offer terms shall not lead to less advantageous conditions for those it targets;
- c) The amendment shall be the object of an announcement submitted to investors under the same conditions as the Offer Document.

Any request to amend the Offer Document will be submitted to F.S.A for approval, at least 3 (three) work days before the last date of the Tendering Period.

Any amendment of the Public Offering is valid and can be implemented only if approved by FSA and published according to applicable legislation. FSA may approve the amendment according to provisions in force regarding the public offering of equity or may refuse its approval. In case the amendment regarding the price of any other elements of the Offer Document is approved, with the exception of those regarding the closing of the offer, FSA has the right to extend the Tendering Period so that there are at least 2 (two) work days between the date the amendment announcement is published and the date the Offering closes. The amendment shall be announced to investors and shall be valid starting on the date of its publication through the same means as the Offer Document, and Offering announcement.

In case the amendment of the Offer Document consists in the increase of Offer Price, all subscribers in the offer, including those who have already subscribed before the modification of the Offer Price, shall receive the increased price.

10. SHARE ASSIGNMENT METHOD

Through this Public Offering, the Tenderer intends to purchase a number of up to 10,000,000 shares representing 1.0398% of the share capital, paid in full, issued by the Issuer that are not in the Tenderer's possession.

In case the total number of shares subscribed by the Shareholders who have accepted the conditions of the Public Offering in accordance with the provisions of the present Offer Document exceeds the number of Offer shares, the assignment shall be pro-rata. To avoid any doubt regarding this, a Shareholder who accepted the Public Offering shall sell a number of shares equal to the number of shares subscribed in the Subscription Form that was validated by the Broker he subscribed through, multiplied by the ratio between the total number of Offer Shares and total number of shares subscribed by Shareholders according to the validated Subscription Forms. Any fraction of shares resulting from such a pro-rata assignment shall be rounded down to the closest full number of shares. In order to avoid any doubt in this share, a Shareholder who subscribes in the Public Offering shall sell a number of shares equal to the number of subscribed shares multiplied by the ration between the total number of Offer Shares and the total number of shares for which validated Subscription Forms were filled in.

The assignment index shall be made public on the last working date of the Tendering Period, through the electronic system of Bucharest Stock Exchange.

For the assignment of any remaining shares resulted from the rounding-off to the whole lower number in the pro-rata assignment process, subscribing shareholders will be ordered in decreasing order based on the number of their subscribed shares, and if one or more shareholders have subscribed the exact number of shares they will be ordered in increasing order based on the registration time in Bucharest Stock Exchange electronic system of the sale order corresponding to that subscription. The unassigned shares resulted will be assigned one per subscription (but without allowing the number of assigned shares in the total of a subscription to exceed the number of initially subscribed shares of that particular subscription), starting with the highest assignment, up to their depletion.

11. SHARE PAYMENT METHOD

The value of the Offer Shares will be paid according to the terms of the Offer Document by each broker authorized by FSA participating to the Public Offering, directly to the Shareholders who have subscribed through that particular broker, within maximum 3(three) work days from the settlement date of the transactions in the Public Offering. There will be no payments up to the end of the Tendering Period.

For the purpose of this Offer Document, transactions corresponding to the Public Offering will take place at least on the work day immediately following the closing date of the Public Offering through the automatic registration in BVB electronic system of the 2 (two) order types: a set of selling orders in the seller(s) account that subscribed in the Public Offering and a purchase order in the Tenderer's account.

The Tenderer will not be responsible for the capital gain tax, trading commission and taxes corresponding to the payment of share price or other taxes and commissions payable by the Shareholders who decide to subscribe in the Public Offering. Each Shareholder will receive payment for the shares sold either through post mandate with confirmation of receipt, or bank transfer to the account indicated by the Shareholder on the Subscription Form, the costs being borne by the Shareholders who accepted the Public Offering.

12. SOURCE AND SIZE OF THE TENDERER'S FUNDS FOR SHARE PAYMENT

The Tenderer shall use the resources foreseen by the law for the payment of shares acquired through the Public Offering, namely distributable profit or company's available resources, registered on the latest approved annual financial statement, with the exception of legal reserves registered in 2022 financial statements.

The Tenderer has deposited in its account, opened with the Broker, the 30% of Offer value guarantee, requested in accordance with Regulation no. 5/2018.

13. TENDERER'S PLANS
